

Australian Government
Department of Social Services

Practice name:

Doctors Priority Line
24 hour telephone interpreting
1300 131 450

The Doctors Priority Line gives eligible doctors priority access to TIS National phone interpreters. General Practitioners and approved Medical Specialists can use the Doctors Priority Line when providing services that are:

- Medicare-rebateable
- delivered in private practice
- provided to non-English speakers who have a Medicare card.

Nursing and practice support staff working with GPs registered with TIS National can also access the service using the same client code.

List your Medical Practitioners' names in the table below and include their individual TIS National client code.

Medical Practitioner	TIS National client code
