

How can I get the COVID-19 vaccine?

It is safe and free for all people. All visas accepted. No Medicare card required.

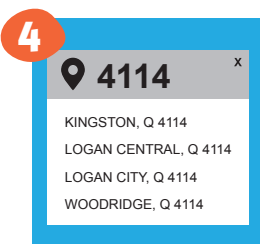

Use your device to scan the QR code. Or visit this website:
<https://covid-vaccine.healthdirect.gov.au>

This will open the Australian Department of Health **Vaccine Eligibility Checker**. It has been translated into some languages.

Press **start** and answer the questions.

Enter your **postcode** to find a clinic in your local area.

Make an appointment:
1. call, or
2. book online.
You can ask for an interpreter in your language.

1. Talk to your doctor if you have any questions at any time.
2. Call **134 COVID (13 42 68)** and ask for an interpreter in your language.
3. Call the Translating and Interpreting Services on **13 14 50** who will connect you to any health service.

On the day of your appointment:

The appointment will take about 45 minutes. This is from when you arrive and leave the clinic.

You can bring a friend or carer with you.

Do not come with children. Please arrange for someone to look after your children.

Ask for an interpreter in your language.
