Resources to support Practices

- [Refugee Health Assessment Template](#)
- [Refugee Ready Checklist for practices](#) - A quick-reference guide to General Practices considering providing health care services to people from a refugee background.
- [Translated Appointment Reminder Tool](#) - assists health services with sending translated messages (including SMS) to patients in 64 languages with 15 appointment types.
- [Free Interpreting Service](#): Doctors Priority Line [1300 131 450](tel:1300131450)
- [Refugee Health Network Queensland](#)

Other support for new arrivals

Most arrivals will have had a Refugee Health Nursing Assessment completed after they arrived.

Contact [Metro South Refugee Health Service](#) Ph: 07 3290 8900

Need support? Contact [SSI Nurse Outreach Program](#)

Most arrivals will have a Case Manager from a settlement service supporting them with practical orientation and support. Contact the settlement service [Multicultural Australia](#)

Patients without Medicare

People seeking asylum in Australia who are not eligible for a Medicare Card can access public hospitals in Queensland free of charge under the [Qld Health Directive](#).
